

## QUICK GUIDE

### License portal Ernst Klett Sprachen

To activate your digital edition, please go to the license portal of Ernst Klett Sprachen:

<https://lizenz-portal.klett-sprachen.de>

#### TIP!

The license portal is where you can activate a digital edition using a license code.

After activation the contents of your digital edition are available in the Klett-Sprachen-App.

### Login / Registration

1. **Do you already have an account for the license portal?**  
Then login with your email address/user name and password.  
> [Login](#)
2. **You're new?**  
Create an account using your valid email address and give yourself a password.  
> [Create account](#)
3. **Forgot your password?**  
Go to SETUP to give yourself a new password.  
> [Change password](#)

### Activating digital editions: Activating and managing your license codes

1. After login you can see all your activated digital editions in MY BOOKS.
2. Go to REDEEM LICENSE CODE and enter the license code you have received from us. The activated digital edition will then be displayed in MY BOOKS.
3. Under MY DEVICES you can activate and deactivate the devices that you wish to use for your digital editions.

### Using digital editions in the Klett-Sprachen-App

1. Download the **Klett-Sprachen-App** onto your device (see next page).
2. Open the Klett-Sprachen-App and **login with the same personal login details that you use for the license portal**. The activated digital editions will now be available in the Klett-Sprachen-App library.
